

PTFE CONVOLUTED TUBE

OD= Outside Diameter

ID= Inside Diameter

P= Pitch

W= Wall thickness

Standard & Light Wall Versions

Adtech Part Numbers	CPT3 and CPT1
Service Temperature Range	-70°C to +260°C
Shelf Life	N/A
Chemical Resistance	Virtually total
Water Absorption	0.01%
Flammability	Non-flammable UL94 Rating V-0
Dielectric Strength	19.7kV/mm
Tensile Strength	Longitudinal 33 N/mm ² , Transverse 31N/mm ²
Shore Hardness	D55
Colour Range	Black as standard, other colours from our range available on request
Applicable Standards	PAN 6627
